

WELCOME TO THE U.S.

Thanks to your generosity and partnership, we have five outstanding students joining us this summer for our **6-week U.S. Learning Experience**. This opportunity is a crucial part of our holistic scholarship program, offering students hands-on learning experiences that greatly increase their employability in Bosnia and Herzegovina.

Through mentorship and real-world experience, scholars gain essential skills to become the next generation of leaders in BiH. Time and again, we see students in this program excel in their careers after graduation. Your support makes this possible.

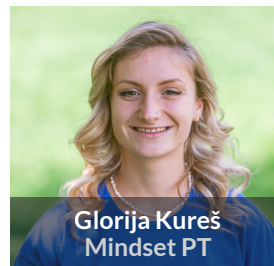

BE A HOST! We are always in need of host families for our upcoming scholars. If you or someone you know is interested in hosting, please contact us at jericho@jerichofoundation.org.

WE PROMOTE LASTING CHANGE.

SPRING LEADERSHIP SEMINAR

This year's Spring Leadership Seminar was once again held in Sarajevo, Mostar, and Tuzla, featuring expert-led sessions and community outreach activities for our students. Our students and team partnered with local organizations to build skills in leadership, professionalism, and job readiness that prepare them for success after graduation.

GOLF 4 GOOD

This year's Golf 4 Good event was a beautiful success! Thank you to our **Platinum, Gold, Silver, Beverage Cart, and Hole** sponsors. We can't forget our golfers, volunteers, businesses/individuals who donated raffle items, and our staff for this year's outing.

BE A WORLD CHANGER.

BACKPACKS 4 HOPE

Each year at our Fall Leadership Seminar, Jericho scholars receive backpacks filled with essentials like educational supplies, hygiene items, and snacks. ***For just \$13, you can help fill a backpack and send a message of love and care.*** These supplies may seem simple, but they give our students the tools they need to succeed. Your gift makes a direct and immediate impact!

BIH UPDATES

In Country Internships

For the past year, we have worked to build an in-country internship program that gives 3rd & 4th-year scholars professional experience before our U.S. Learning Experience.

Recently, 4th-year Mechanical Engineering student Melika Đambo completed a 60-hour internship at Jajce Alloy Wheels, gaining hands-on exposure to aluminum wheel manufacturing, including casting, machining, and quality control processes.

Pomozi ba campaign

Together with our valued partner Pomozi.ba, Jericho Foundation has launched a fundraising campaign to support scholarships for promising students across Bosnia and Herzegovina. Through Pomozi.ba's trusted donation platform, individuals from around the world can contribute to providing life-changing educational opportunities for young leaders.

TRANSFORMING LIVES FOR GENERATIONS.
