WHAT WE DO

Growing up in a country rebuilding from a war, facing ethnic division, and an increasing unemployment rate of 57%, the children of Bosnia and Herzegovina (BiH) feel forgotten.

Since 2000, it has been our mission to restore hope in BiH's youth through full college scholarships, professional development seminars, and lots of love and encouragement.

WHY WE HELP

Jericho sees a future Bosnia and Herzegovina led by ethical, educated, and passionate individuals.

The future is in the hands of the youth; they offer new perspectives, innovation, and a heart to move beyond the divisions of generations before them. Their potential drives our mission.
